

Course Planning Worksheet

Student Form

Student Name: _____

College athlete? Y / N

Form in September 2021 (circle one): IV V

Please complete and submit by May 15 – email academics@stgeorges.edu

Part I: My St. George's Career

1. List your current courses in the grid below, and then sketch out your career in broad terms, using the Courses listed on the SG website under Academics/Course Selection by department. (Graduation requirements are listed in the Course of Study Introduction, attached). Remember that students take five courses every year, spread over two semesters – most new students take four yearlong classes, with the fifth slot reserved for single-semester courses in fall and spring.

If you wish to be considered for an Honors or Advanced class, indicate that! Enrollment in these courses is based on

- 1) a stated request (on the reverse side – Course Requests)
- 2) demonstrated achievement in similar courses
- 3) potential for success, given all the demands on your time and
- 4) availability.

Sketch out your SG career in general terms here...this plan may change over time!

All students take FIVE courses each semester; the only exception is an Ensemble: Choir, Jazz Band or Orchestra, as a 6th all year.

	pre-SG 9 th grade	Pre-SG 10 th grade (may leave blank)	Fourth Form	Fifth Form	Sixth Form
English					
History					
Math					
Science					
Language					
Theology / Religion					
Art, Music, Theatre					
Other (Geronimo/ Internship, etc)

Part II: My Course Requests for Next Year:

1. List below your first and second choices for courses in the coming year. Year-long courses (those whose codes end in 0) should appear under "Fall" with a line draw to spring.
2. For one- semester courses, list courses that end in -1 for fall, -2 for spring. We will review these throughout the year, and make changes prior to every semester as needed.
3. **Why "First choice:" and "Alternate:"?** We need to know what you would choose as a back-up course in case we are not able to accommodate your first choice. If your first choice is an Advanced or Honors course, for example, your alternate might be the standard course in the same discipline. It could also be a course in a completely different discipline.
4. A standard, sequenced course in math, language or English needs no alternate.

List your first-choice and alternate for next fall (and give us an idea for winter & spring)...

Students take FIVE courses each semester; the only exception is an Ensemble: Choir, Jazz Band or Orchestra, as a 6th yearlong.

	2021-22: Fall	Spring
English -- must take <i>(IV formers must take Humanities.)</i>	First choice:	
	Alternate1:	
Math – must take	First choice:	
	Alternate:	
History	First choice:	
	Alternate:	
Language – must take	First choice:	
	Alternate:	
Science	First choice:	
	Alternate:	
Music/Theater/Visual Arts <i>Ensemble for ½ credit may be a 6th yearlong</i>	First choice:	
	Alternate:	
Theology & Religious Studies	First choice:	
	Alternate:	
Other	First choice:	
	Alternate:
