

St. George's is an independent, four-year, co-educational college preparatory school. **EPISCOPAL AFFILIATION - FOUNDED IN 1896**

MISSION STATEMENT

The specific objectives of St. George's are to give its students the opportunity of developing to the fullest extent possible the particular gifts that are theirs and to encourage in them the desire to do so. Their immediate job after leaving school is to handle successfully the demands of college; later it is hoped that their lives will be ones of constructive service to the world and to God.

Today, we continue to teach our students the value of learning and achievement, service to others and respect for the individual. We believe that these goals can best be accomplished by exposing students to a wide range of ideas and choices in the context of a rigorous curriculum and a supportive residential community. Therefore, we welcome students and teachers of various talents and backgrounds, and we encourage their dedication to a multiplicity of pursuits – intellectual, spiritual and physical – that will enable them to succeed in and contribute to a complex, changing world.

OUR CURRICULUM

■ St. George's does not rank students or report GPA, and we do report any violations of our school's Honor Code to colleges that ask.

■ While all coursework is college preparatory, courses designated Honors or Advanced are the most rigorous course offerings at each level in their department.

■ St. George's has not offered AP courses since 2017. Advanced course offerings meet or exceed the rigor of these curricula.
